Community Advisory Council (CAC) Meeting Agenda

Date: August 22, 2016

Location: MCMC Providence

Agenda Item	Duration, Presenter and CAC Actions
Welcome & Introductions & Announcements	Guests included: Roelina Dempsey, Veggie Rx; Kim Marshall, Veggie Rx; Mandi Rae Pope, Veggie Rx; Mark Slaight, Veggie Rx; Anna Williams, Providence;
Approve June CAC meeting minutes	On a motion made and seconded, the CAC unanimously approved the June minutes. The July CAC meeting was a training session held at the Community College in The Dalles.
Recent CGHC Board meeting topics	Ellen reviewed the CGHC Board topics including Blue Zones.
Aging in the Gorge Alliance (AGA) Update	Anna Williams provided an update on AGA and informed the group of the community reading project: "The Age of Dignity: Preparing for the Elder Boom in a Changing America". Copies of the books can be found at the libraries in the region.
Gorge Grown Report	Sarah Sullivan provided the CAC with a status update regarding the Veggie Rx program. In addition, several recipients of the program came to speak at the CAC regarding their experiences with Veggie Rx and its importance in supplementing other programs. One person who receives disability income and SNAP described how she was more able to eat well when she had the support of Veggie Rx to better manage her own health. A father identified the way that Veggie Rx has supported their family to eat better on limited financial means. Two of the clients described how they see food as more important than medicines, which seem to be much more available but less effective. One recipient highlighted that Food Insecurity can happen to anyone - including college graduates. Sometimes the need is interim due to an unexpected life event and having access to Veggie Rx provided a bridge during a difficult time.
CORE Report on early results of Community Health Assessment	Kristin Brown and JB Rinaldi from Center for Outcomes Research and Education (CORE) presented on the draft version of the Community Health Survey results. Due to the additional surveys completed in the region, the Gorge was able to have significance testing done on the various results to highlight where differences in access or health exist in the region.
Next CAC Meeting	September 26, 2016 @ MCMC, 3 – 5 pm
